Testimonials

Here is what some of our clients have to say about Precision Welding and Fabrication:

*"Overall good, honest people"

*"Thank you...It has been a pleasure working with you and I hope we get to work together on another project"

*"I very much appreciate your thoughtfulness and the attention you have given this small project. It has been and continues to be a pleasure to deal with you. I look forward to working with you in the future on even larger projects"

*"This letter is to thank you for your help in getting our hastalloy plate rolled for an

called upon, our personnel will work around the clock to get your project completed in the shortest time possible.

- pre-project consulting and planning
- shop assembly prior to field delivery
- field assembly
- emergency

emergency repair to one of our vessels. The failure happened on January 5th. With your help we had the material on January 6th. We appreciate your help in getting this done. Your contribution greatly expedited our completion"

*"The welding of the pressure containing piping for this project was completed with a repair percentage ratio of 0.8% (8/10ths of 1%) out of 270 welds. Total weld Length = 2246 inches.."
